Reapplication: You may apply for meals anytime during the school year. If you are not eligible now but have a change, like a decrease in household income, an increase in household size, become unemployed or receive food stamps or TAFI for your children, complete an application then.

Confidentiality: This application could be used for Federal and State initiated education programs along with USDA child nutrition meals.

PRIVACY ACT STATEMENT: Section 9 of the National School Lunch Act requires that, unless your child's Food Stamp, TAFI, or FDPIR case number is provided, you must include the social security number of the adult household member signing the application or indicate that the household member does not have a social security number. Provision of a social security number is not mandatory, but if a social security number is not given or an indication is not made that the signer does not have such a number, the application cannot be approved. The social security number may be used to identify the household member in carrying out efforts to verify the correctness of information stated on the application. These verification efforts may be carried out through program reviews, audits, and investigations and may include contacting employers to determine income, contacting a Food Stamp or welfare office to determine current certification for receipt of Food Stamps, TAFI, or FDPIR benefits, contacting the State Employment Security office to determine the amount of benefits received and checking the documentation produced by household members to prove the amount of income received. These efforts may result in a loss or reduction of benefits, administrative claims or legal actions if incorrect information is reported.
